It's been several months since I've reunited with Onee-chan...

I'm here to go out with you, Onee-chan.

I expected we'd be like that by now.

I love you, Mikoto.♥

Mikoto!

Hurry up and finish eating.

I have to clean up.

Weird.

もじ

And the bath's ready for you.

.....

We have to get up early,

so let's sleep.

Aren't we just really close sisters now!!?

It doesn't look like we're going out at all!!...

ドキ

Does it make your heart beat faster when I'm close to you like this?

Onee-chan.

Hm?

Mikoto-chan!

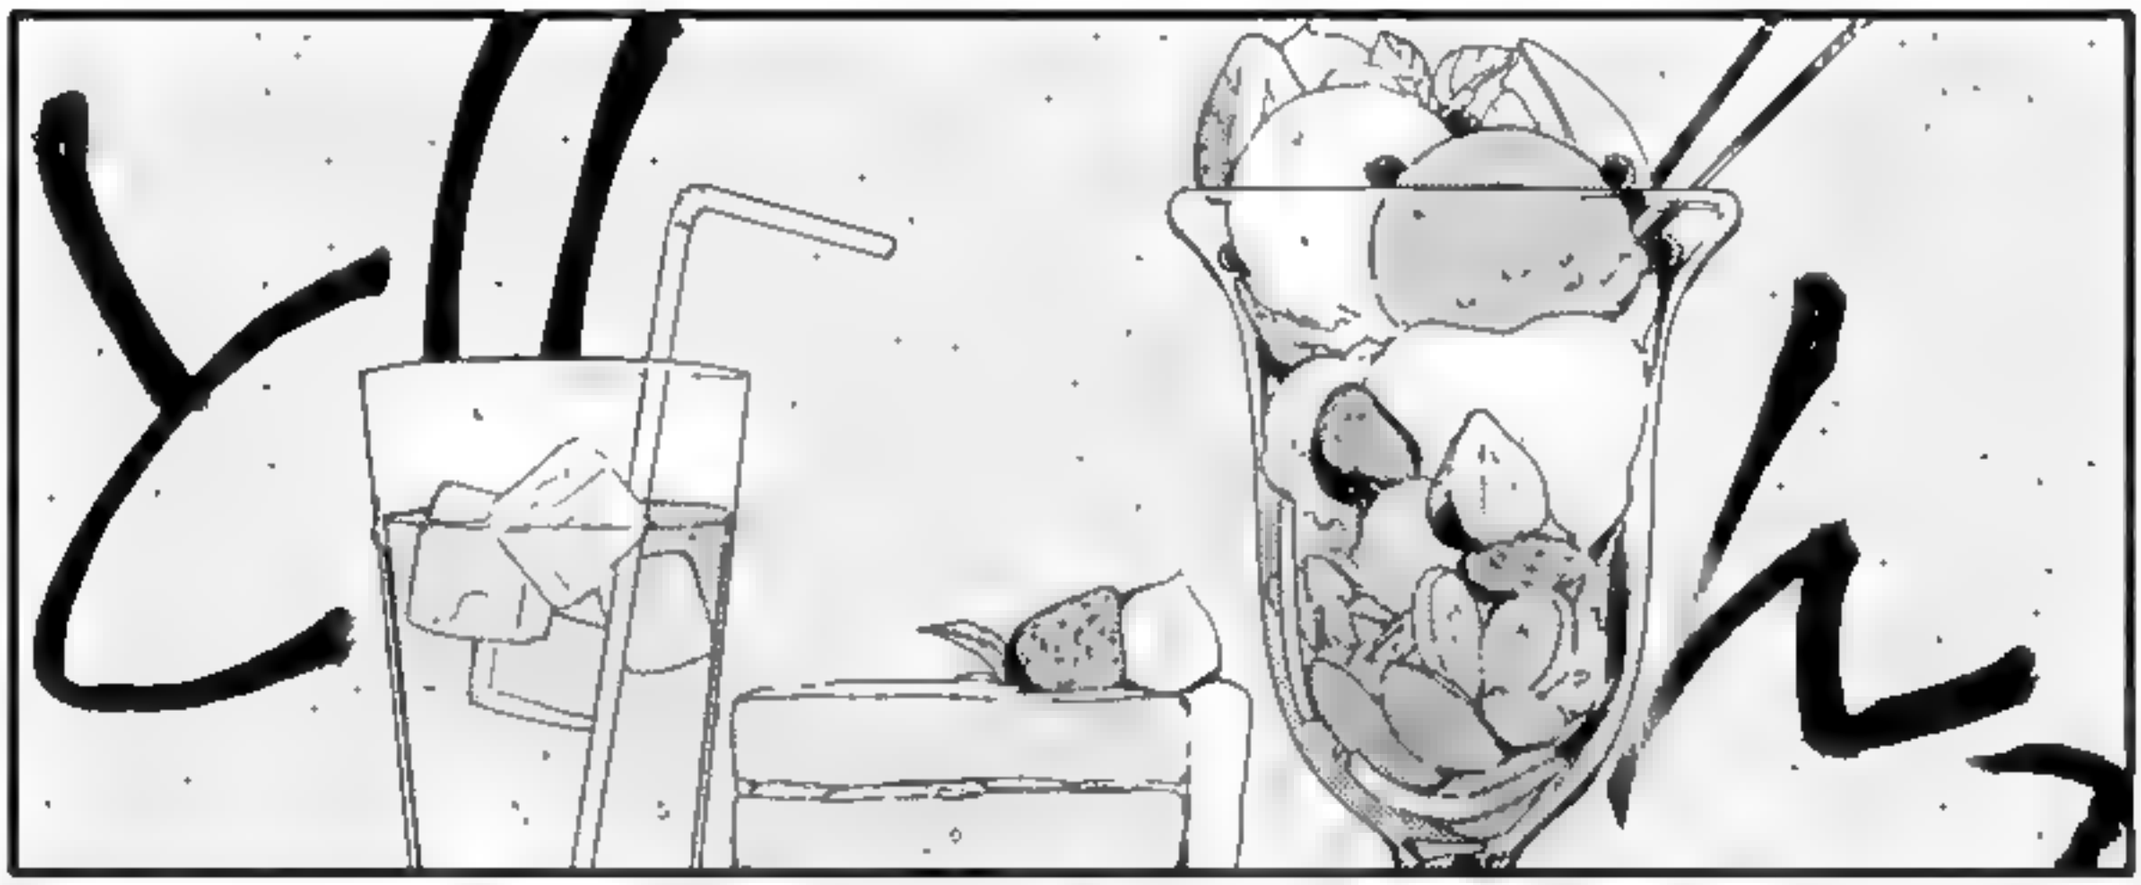
Hey!

I'll treat you!!!

Wait! Can we have tea together!?

I've got to go.

Bye.



You don't have to work at the flower shop today?

I have classes to take today.

With the manager around, Sayuri can handle it by herself.

Don't tell anyone, but I love cute things.

Yeah.

So you visit shops like that, Oga-san.

It's pretty surprising.

Mm...

Why can't I tell others?

If I see a cute shop I tend to wander in.

Well,

everyone likes the boyish side of me.

Really?

You're cute, Mikoto-chan. You looked like you belonged in that shop. I'm jealous.

Isn't that girl adorable? ♥

Everyone else was sneaking peeks at you too!

I am!

Whoosh

Seconds!

You're not done yet?

Only Onee-chan's compliments make me happy, though.

Yes!

Onee-chan's birthday is the day after tomorrow!

Is that a present?

It's going to be great!

and a homemade cake!

so I'm secretly preparing a meal

I can't let her know,

I haven't celebrated her birthday with her in thirteen years...

You're really putting a lot of effort into it.

You two really are close.

Yeah. I think you're good sisters.

Do you see us as normal sisters?

That's not good enough.

Thank you for treating me.

I want to be special to her.

I'll meet up with Onee-chan and we'll go home together.

What are you doing after this?

Can I come along with you?

Hey, don't they look good together? That couple over there.

They're both gorgeous!

PRINCE MODE

Sure.

...Fine.

But don't get too close to me.

TWITCH

Good work!

Sayuri-chan, you can leave now.

Manager.

I'll be waiting inside...

SENT

Then I'll leave it to you.

My sister's coming for me, so is it okay for me to wait here?

I'll close the shutters.

Hehehe...

It's fine, I understand.

And you were still here?

It's the same as usual for me!

Huh!?

Isn't being related pretty special already?

That's not good enough for her...

Is that it?

Onee-chan.

You're off tomorrow, right?

Yeah.

Why?

It's a secret!

Don't go anywhere, okay?

Promise me!

Chapter 5 End

Hey, Mikoto.

EXTRA

Onee-chan's been acting oddly.

I'm going out to the store for a bit!

....

What is she eating for lunch?

Is she...

She hasn't been eating my lunches lately...

I wonder why?

I won't need a lunchbox tomorrow either.

You don't have to make mine.

Okay.

We only get to spend our lunch breaks together...

Sorry for making you wait.

Oh, so that's what it was.

I'll help out too!!

It'll be bad for your body if you only eat bread, so eat my lunch as well.
